

Fast Facts

Who We Are

We are empowered women who join together as members, each contributing \$1,000 to fund transformational, sustainable change in Milwaukee, Waukesha, Ozaukee, and Washington counties. Since being founded in 2015, we have funded capital projects, new and existing programs, and collaborate efforts between small to medium size nonprofits in five focus areas:

Our Mission

Impact100 Greater Milwaukee is an organization of women who collectively award transformative grants that make a lasting impact on the community.

Our Process

Following a rigorous evaluation process by our members, finalists present to the full membership at the Annual Awards Celebration. Following the presentations that night, members vote and the grant recipients are announced. For every 100 members, we award one \$100,000 grant and divide the balance of funds among the remaining finalists.

What We Achieved

40

Nonprofits
Funded

Over the past 10 years, we have awarded \$100,000 grants to 29 local organizations and given funding to an additional 11 nonprofits.

Our awards have helped fund food storage equipment, shelter services, police crisis intervention training, water infrastructure, model homes for affordable housing, human trafficking prevention programs, academic tutoring, vehicles for mobile outreach programs, and more!

\$3M

Given to Local
Organizations

411

Members
Strong
& Growing

It is a simple idea: one woman, one vote. Women make a fully tax-deductible donation of \$1,100 annually, \$1,000 of which goes directly to our grants—the remaining \$100 supports Impact100 Greater Milwaukee's operational expenses.
