## Empower.

Our Impact100 Core Values are simple:

We empower women to be philanthropic decision makers by engaging, developing and inspiring women to collectively effect sustainable, transformational, and impactful change in the Greater Milwaukee community.

***Beyond the Headlines*** launched in 2018 to provide insights on community challenges and potential solutions through open discussions with experts and change agents.

*Past presentations

Membership tab*

## Past Programs

### Housing

Homelessness to Sustainable Housing

### Education '101'

How has it changed and what needs to change

### Mental Health

A crisis of understanding, a crisis of care

### Sex Trafficking

A critical issue requiring everyone's understanding

We believe these insights help our members maximize the transformative impact of our \$100K grants to nonprofits.
